NEW FLORAL SHOP

"If you like flowers . . . If you need flowers for any occasion, we can supply you to your full satisfaction," says Fred Lagomarsino, Colma florist.

Lagomarsino has just opened the new floral shop at 213 School street in Colma. He has 2000 varied types of plants—bedding plants—potted plants—cut flowers—funeral pieces . . . everything in flowers. He is especially proud of his selection of fuschias.

Lagomarsino was born in Colma, and has been in the nursery business for two years. He spent his boyhood in Colma, and went to the local schools.

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

Ticket Trickery

If you can get a traffic ticket "fixed" in your town the chances are that more serious offenses are also being condoned, according to the National Consumers tax commission, whose tax reduction drive seeks additional municipal economy and efficiency.

Silver Lining

War has a silver lining for 84,000 who were on relief last winter in St. John's, Newfoundland. Its great newsprint and its wood-pulp and mine-prop industries have been revived with the closing of the Baltic. Iron, lead, and zinc mines are again operating, while enlistments in the navy, army and civilian forestry corps have also helped to reduce unemployment.

NOW PLAYING AT DALY CITY THEATRE

Billie Burke and Patsy Kelly are thoroughly mystified by the antics of Eddie (Rochester) Anderson in this scene from Hal Roach's "Topper Returns," the hilarious mystery-comedy now playing at the Daly City theatre.

Coal in U. S.

One-third of the world's supply of coal is produced annually in the United States.

Prohibits Corn Meal

The government of Jamaica has prohibited the importation of corn meal.

Boys and Girls — Join the Daly City Record Swimming Club

Daly City Record's third annual swimming program for local grammar school boys and girls will open June 16.

Here's what club members are entitled to:

1. Ten free week-day afternoon admissions at Jefferson Union high school plunge with swim suits and towels furnished without charge.
2. Ten half hour swimming lessons under the direction of qualified American Red Cross instructors.
3. A four-inch felt swimming insignia to be awarded at the completion of the course.

Membership cards to the Daly City Record Swimming Club are issued to any local grammar school boy or girl who secures one one-year subscription to this newspaper.

For further information call The Record Circulation department—RAndolph 3215.

FOR AN INFORMAL WEDDING

Toni Gilman, Columbia network's "Martha Webster" series, models a bridal outfit from Jay Thorpe. The open work on her beige crepe frock gives a drop shouldered effect and her black ballibuntal straw hat has yards of maline which may be draped effectively. Notice how she pins the corsage on her purse. A diamond flower spray and diamond and amethyst watch-bracelet—a gift from the groom suggestion—are her only adornment. (Jewels from Black, Starr and Gorham).

Long Ticket

Prof. Grosvenor Robinson of Bates college has begun an 8,000-mile bus tour of the United States. It took an entire afternoon to make out the 18-foot long bus ticket that will take him on his vacation, a substitute for a European tour.

Swedes First

The Swedes, coming from a log-house country, built the first log cabins in Delaware in 1638. The Pennsylvania Dutch and the early Irish later made them popular.

Hot Handle Holder

Made of a heat insulating, non-absorbent rubber, a holder has been invented to be slipped over the hot handles of cooking utensils.

British Possession

New South Wales became a British possession in 1788.

Modern Transportation

Motor transportation is rapidly replacing pack animals for hauling in Afghanistan.

Horse Rider Guilty

It isn't always necessary to have 90 horsepower under the hood to drive in a reckless manner. A Boulder man had only a one horsepower vehicle under him when he drew such a charge. Riding a horse, he was accused of behaving so recklessly that two girls, walking in the road, were injured.

Wild Rice

Wild rice contains 14.8 per cent protein, 9.3 per cent moisture, 2 per cent sugars, 1.5 per cent ash, 1.1 per cent fiber and small amounts of fat, phosphorus, potassium, magnesium, sulfur, calcium and chlorine, says the American Chemical society. The process of parching the seed, introduced by the Indians to facilitate removal of the hulls, reduces appreciably the content of fat, fiber, protein, total ash, magnesium, potassium and phosphorus. In a special test it was found that the vitamin B, content of three samples of wild rice seed averaged 1.07 international units per gram, whereas the average of the same three samples when parched was 1.39.

Becoming Railway Business

Passenger traffic on the Eastern Bengal railway in India has shown a substantial increase since reported healing powers of the four-year-old son of a Saidpur station agent have become known. The boy is said to be able to cure sufferers by breathing on them.

Dog Stays On

Frank Bruswitz has retired as station agent for the Great Northern railroad here but his faithful dog, Terry, carries on. Terry reaches the station every morning at 7:30 o'clock, meets all passenger trains and then trots to the post office and bank—a routine he followed with his master for years.

Girl Bull-Fighter

Whirlwind attraction in the bull rings of Peru, Portugal, and Mexico City is 17-year-old Conchita Citron, declares the American Magazine. She already has 32 victories to her credit. Conchita spent much of her childhood training to be a bullfighter.

Onion Rings

Broadcast by Mary Lee Taylor June 12, 1941

3 large onions
¾ cup all-purpose flour
½ teaspoon baking powder
½ teaspoon salt
2 well-beaten eggs
¾ cup Pet Milk

Cut onions into ¼-inch slices and separate into rings. Sift flour before measuring. Resift with baking powder and salt. Mix together well-beaten eggs and milk. Stir into flour mixture, beating until smooth. Heat 2 inches of fat hot enough to brown a 1-inch cube of bread in 50 seconds, or to 370° F., on a cooking thermometer. Put several onion rings in batter, lifting out one at a time with a fork. Fry a few rings at a time until brown. Drain on unglazed paper. Serves 6.
